

## **NIS-4J FIGS Project Description**

**NIS-4J.** The National Inmate Survey for Jails (NIS-4J), sponsored by the Bureau of Justice Statistics, collects information to measure the incidence and prevalence of sexual assault within correctional institutions nationwide, and at the facility level, as required under the Prison Rape Elimination Act of 2003. Our data collection team, comprising interviewers and team leaders, conducts in-person interviews with inmates housed within jail facilities. Most NIS-4J positions are full time and involve continuous travel across the United States annually. Please explore our currently available positions by clicking the “Search for Positions and Apply Now” button on the main page of this site and search for our positions using the keyword NIS-4J.
